**2016 REGIONAL PRECEPTOR DEVELOPMENT PROGRAM**

Developing Interprofessional Learning Experiences to Prepare Team-Ready Student Pharmacists

The **DEPARTMENT OF PHARMACY PRACTICE AND SCIENCE** at The University of Iowa College of Pharmacy would like to invite you to attend one of our Regional Preceptor Development Continuing Education Programs. This program and dinner are offered **FREE** to all University of Iowa College of Pharmacy Preceptors.

**Please register at least one week before the event you wish to attend.**

**Activity Description**

This presentation will review the foundational concepts and definitions of IPE; share examples of IPE activities; provide strategies to integrate interprofessional concepts and activities into teaching and learning; and highlight resources that are available to help develop and implement IPE.

**Learning Objectives**

Upon successful completion of this knowledge-based activity, pharmacist preceptors should be able to:

1. Define interprofessional education and review the core competencies
2. Discuss examples of interprofessional learning opportunities that have been implemented
3. Identify strategies to integrate interprofessional concepts and activities into teaching and learning
4. Identify resources to further enhance interprofessional development and learning experiences

**CPE Activity Information**

This activity is offered **free of charge** to University of Iowa Preceptors by The Department of Pharmacy Practice and Science, The University of Iowa College of Pharmacy.

To obtain 1 contact hour of continuing education credit (0.1 CEU), the completion of the program is required. Following the program, participants will receive a CPE code and will be required to complete an online exam and evaluation on CEI’s website, [www.GoToCEI.org](http://www.GoToCEI.org). Once the exam and evaluation are successfully completed, click on Submit CPE Monitor. You can access your CPE Statement of Credit at [www.MyCPEMonitor.net](http://www.MyCPEMonitor.net).
