PGY1-Community Pharmacy Residency Program

NMS Code Number: 153626

Opportunities for the Resident

Towncrest Pharmacy offers their resident a unique opportunity to experience a wide variety of innovative patient care services. The knowledge gained as a resident at Towncrest Pharmacy exemplifies the clinical skills and knowledge required of community pharmacists. Residents have the flexibility to tailor the year to meet their specific career goals and are encouraged to bring new ideas to the site to improve existing and future services. Our resident experiences the rewards and challenges of ownership firsthand and will work closely with the Residency Coordinator on a daily basis. Active involvement in pharmacy organizations is encouraged.
