Your Wednesdays in the fall will be divided between the practice lab and active learning in your Integrated Pharmacotherapy (IP) courses. We will have three sections for the lab as we do now and we will also have three sections of active learning. Your active learning section will be determined by which lab section you are in. It will work like this:

If you sign up for Section 1 of lab that class will meet at 9:30-11:20 a.m. and you will have active learning in your IP course 12:00-1:50 p.m.

If you sign up for Section 2 of lab that class will meet at 12:00-1:50 p.m. and you will have active learning in your IP course 2:30-4:20 p.m.

If you sign up for Section 3 of lab that class will meet at 2:30-4:20 p.m. and you will have active learning in your IP course 9:30-11:20 a.m.

We hope this will inform your decision on which section to sign up for.
